Sam Houston State University Partnership Agreement

As a Supporting Partner, Sam Houston State University (SHSU) identifies three graduate degree programs and three undergraduate degree programs that are eligible for the Foreign Affairs Information Technology Fellowship (FAIT) and waives the application fee.

SHSU Eligible Graduate Degree Programs

FAIT Fellows in the graduate fellowship program are eligible to enroll in the following four-semester (fall and spring), full-time master's degree programs offered by SHSU:

- Master of Science in Computing and Data Science
- Master of Science in Digital Forensics*
- Master of Science in Information Assurance & Cybersecurity*

*Offered online

SHSU Eligible Undergraduate Degree Programs

The following bachelor's degree programs are eligible for the undergraduate FAIT Fellowship program. Students must be enrolled full-time and be on a timeline to graduate after completing four full-time semesters (fall and spring) during their two-year fellowship.

Undergraduate Degree Programs

- Bachelor of Science in Computing Science
- Bachelor of Science in Software Engineering
- Bachelor of Science in Cybersecurity

Applying to SHSU

To apply to SHSU with a waived application fee:

- Create an account on Apply Texas (**goapplytexas.org**)
- Login to your SHSU Self Serve Center
- Submit the following materials:
  - Online application
  - Graduate program applicants: Official transcript of the baccalaureate degree-granting institution showing the date of the degree conferral.
  - Other program-specific admission materials. Some programs require additional information such as letters of recommendation, essays, and documentation of experience.
  - Copy the email confirmation for your FAIT Fellowship application submission from The Washington Center.
