## Scholarships for FAIT Fellows

Susquehanna University (Susquehanna) will provide FAIT Fellows enrolling or currently enrolled in its eligible bachelor's degree programs with a merit-based scholarship for an amount equal to the difference between the Susquehanna tuition and the FAIT Fellowship tuition assistance.

## Susquehanna Eligible Undergraduate Degree Programs

The following bachelor's degree programs are eligible for the undergraduate FAIT Fellowship program. Students must be enrolled full-time and be on a timeline to graduate after completing four full-time semesters (fall and spring) during their two-year fellowship.

### Undergraduate Degree Programs

- Bachelor of Arts in Computer Science
- Bachelor of Science in Computer Science
- Bachelor of Science in Data Science

## Applying to Susquehanna

To apply to Susquehanna, prospective students must follow the steps outlined for undergraduate admissions:

### Undergraduate Degree Programs

- Complete the [Susquehanna University Application](#) or the [Common Application](#)
- Official high school transcript, school report, and recommendation letter.
- **Optional – SAT/ACT Scores:** Applicants can choose to submit their SAT or ACT exam scores (or both) but can also decide to apply without submitting scores under Susquehanna University's test-optional plan. Applicants can indicate this preference on the Susquehanna University Application or the Common Application. Susquehanna University uses a holistic review process to evaluate applications for admission because the application is more than students' SAT or ACT scores.
